

Dear Friends of Bokar Thubten Ling:

First of all, we would like to thank all of you for making it possible to buy the land next to Bokar Thubten Ling. After the kind support we received after our last call for help, we have received fifty percent (40.000 euros) of the total cost of the property. It is thanks to this first phase of fundraising that we have been able to commit to the purchase of the land. This makes us very happy as it would not have been possible without your help. Thank you for your generosity!

We feel optimistic as we are closer, but we still need to raise the other €40,000 before the 1st of June to close the purchase. Thus, we are asking for your help once again to see if you can contribute to the fulfillment of this campaign by making a donation in this final phase. Any contribution would be beneficial. From our side, the center continues to organize activities to raise funds, such as yoga sessions, meditation retreats, and events.

We would like to let you know that Khenpo Lodrö Donyö Rinpoche is aware of this endeavor and has expressed his good wishes and support for this project.

With much devotion and gratitude,

Bokar Thubten Ling (Ibiza)
